## Simplifying Passivhaus

With Passivhaus standards offering a better living environment, virtually zero heating bills, superior air quality and high performance, beautiful homes, it's little wonder the tide has turned for Passivhaus projects.

This versatile and cost effective method of construction is leaving conventional building techniques in its wake.

### Full Design flexibility - from Self Build to Social Housing

The Beattie Passive system has no limitations, whatever the build project's size, style, shape and finish you want to achieve. We take your architect's plans and provide a design technology that simplifies the delivery of Passivhaus, with significant cost, time, health and environmental benefits for all.

### Experts in Passivhaus

Beattie Passive takes Passivhaus to new levels. Combining its award-winning, patented design and build system along with expert knowledge, we offer the only true, certified **Passivhaus Complete Build System** (not just standards) in the UK. This combined with robust testing provides you with the peace of mind that your high performance frame will have a superior build quality and living environment.

### With You Every Step of the Way

Throughout your time with us, we will work closely as part of your team to ensure our knowledge, expertise, technical support and passion for all things Passivhaus, help to deliver your unique project.

Talk to Beattie Passive today - experts in all things Passivhaus

Scale 1:2070

**Land at The Street, Surlingham**

**Site A = 1.79 Ha**

**Site B = 0.20 Ha**

**Title Number = NK305480**

**Location = Grid ref. TG3106NE**

## Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0030
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: [callforsites@gnlp.org.uk](mailto:callforsites@gnlp.org.uk)

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team  
PO Box 3466  
Norwich  
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: [www.greaternorwichlocalplan.org.uk](http://www.greaternorwichlocalplan.org.uk)

E-mail: [callforsites@gnlp.org.uk](mailto:callforsites@gnlp.org.uk)

Telephone: 01603 306603

<b>1a. Contact Details</b>	
Title	Mr
First Name	Peter
Last Name	Garrod
Job Title (where relevant)	
Organisation (where relevant)	
Address	NULL NULL NULL NULL NULL
Post Code	NULL
Telephone Number	NULL NULL
Email Address	NULL

<b>1b. I am...</b>
Owner of the site

<b>1c. Client/Landowner Details</b> (if different from question 1a)	
Title	
First Name	
Last Name	
Job Title (where relevant)	
Organisation (where relevant)	
Address	
Telephone Number	
Email Address	

<b>2. Site Details</b>	
Site location / address and post code  (please include as an attachment to this response form a location plan of the site on an scaled OS base with the boundaries of the site clearly shown)	Site A and Site B  The Street  Surlingham  Norwich  Norfolk
Grid reference (if known)	TG318066

Site area (hectares)	Site A =1.79Ha .Site B= 0.20Ha
Site parish	Surlingham
Site district	South Norfolk

<b>Site Ownership</b>	
<b>3a. I (or my client)...</b>	
Is the sole owner of the site	
<b>3b. Please provide the name, address and contact details of the site's landowner(s) and attach copies of all relevant title plans and deeds (if available).</b>	
<b>3c. If the site is in multiple landownerships do all landowners support your proposal for the site?</b>	NULL
<b>3d. If you answered no to the above question please provide details of why not all of the sites owners support your proposals for the site.</b>	

<b>Current and Historic Land Uses</b>
<b>4a. Current Land Use</b> (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

Unused for about 12 years .Overgrown with natural grass,and self seeded shrubs ,brambles

**4b. Has the site been previously developed?**

No

**4c. Describe any previous uses of the site.** (please provide details of any relevant historic planning applications, including application numbers if known)

Arable land .became non-viable to modern farming methods do to size ..Light land with stone content

**Proposed Future Uses**

**5a. Please provide a short description of the development or land use you proposed** (if you are proposing a site to be designated as local green space please go directly to question 6)

high energy efficient housing

high % of affordable/social housing

**5b. Which of the following use or uses are you proposing?**

Market Housing	Yes
Affordable Housing	Yes
Residential Care Home	No
Gypsy and Traveller Pitches	No
Business and offices	No
General industrial	No
Storage and distribution	No
Tourism	No
Recreation & Leisure	Yes
Community Use	Yes
Public Open Space	Yes
Other (Please Specify)	NULL

**5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.**

What ever is most suitable for the local area ,Maybe cottage style would be the most suitable. Open space. An area for community use. Due to the available land space,ground source heating is easily achievable .this could be per property or from one system serving all properties. Due to the open aspect to the sun, solar panels are an ideal option on each property ,either on each building or a larger land based installation serving as a district supply to new properties .There is plenty of land available on site

**5d. Please describe any benefits to the Local Area that the development of the site could provide.**

High energy efficient housing .

A high % of affordable housing which is desperately required for local area

To make the site attractive as possible so as to enhance the village.

An area for community use. Open space.

**Local Green Space**

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

**6a. Are you proposing a site to be designated as a Local Green Space?**

No

**6b. Which community would the site serve and how would the designation of the site benefit that community.**

NULL

**6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.**

NULL

**Site Features and Constraints**

Are there any features of the site or limitations that may constrain development on this site (please give details)?

**7a. Site Access:** Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Access direct from . "The Street " road

Access would need to improve as overgrown

No public rights of way
<b>7b. Topography:</b> Are there any slopes or significant changes of in levels that could affect the development of the site?
mostly level which is ideal .
<b>7c. Ground Conditions:</b> Are ground conditions on the site stable? Are there potential ground contamination issues?
Ground conditions good , free draining stable light loam soil . No contamination
<b>7d. Flood Risk:</b> Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
No history of flooding Outside Broads Authority flood risk zone land has an elevated position to neighbouring areas and the Street .
<b>7e. Legal Issues:</b> Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
None
<b>7f. Environmental Issues:</b> Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
none that I am aware off.
<b>7g. Heritage Issues:</b> Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
none that I am aware off.
<b>7h. Neighbouring Uses:</b> What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
East,south,and west boundaries are totally surrounded by houses and gardens . North boundary has three gardens and one paddock
<b>7i. Existing uses and Buildings:</b> are there any existing buildings or uses that need to be relocated before the site can be developed.
none

<b>7j. Other:</b> (please specify):
None  (There is an underground HV power cable crossing the far end of the site but should not have any implications due to its location .In fact is may be useful ).

<b>Utilities</b>	
<b>8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.</b>	
Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	Unsure
Public highway	Yes
Broadband internet	Unsure
Other (please specify):	NULL
<b>8b. Please provide any further information on the utilities available on the site:</b>	
No enquiries have been made regarding capacity to connect to any services but all are nearby .	

<b>Availability</b>
<b>9a. Please indicate when the site could be made available for the land use or development proposed.</b>
Immediately
<b>9b. Please give reasons for the answer given above.</b>

site has been unused for 12 years and farmers have declined to hire including two local to site.

**Market Interest**

**10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.**

Enquiries received

<b>Comments</b>	<p>Lots of request to buy land from many of the neighbouring properties</p> <p>Land has not been marketed other than local letting</p>
-----------------	--

**Delivery**

**11a. Please indicate when you anticipate the proposed development could be begun.**

Immediately

**11b. Once started, how many years do you think it would take to complete the proposed development (if known)?**

unknown

**Viability**

**12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy**

Yes

**12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure,**

No

<b>demolition or ground conditions?</b>	
<b>12c. If there are abnormal costs associated with the site please provide details:</b>	
NULL	
<b>12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?</b>	Unsure
<b>12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.</b>	
The land is free of any buildings ,contamination,preservation ,conservation areas .Is free draining soil and not set in a low aspect to surrounding land	

<b>Other Relevant Information</b>
<b>13. Please use the space below to for additional information or further explanations on any of the topics covered in this form</b>

This application is for two sites but relate to the same land..  
 Site A is the whole area.  
 Site B is a smaller part of A of which lines up with neighbouring properties.  
 I would be keen to allow very energy efficient housing or community building or areas of community use .  
 Open to any ideas which the council would like to be adopted or tried .  
 Such as Passivhaus (BeattiePassive,made locally in Norfolk) which can also be for social housing or self build .
