

## Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0065
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: [callforsites@gnlp.org.uk](mailto:callforsites@gnlp.org.uk)

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team  
PO Box 3466  
Norwich  
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: [www.greaternorwichlocalplan.org.uk](http://www.greaternorwichlocalplan.org.uk)

E-mail: [callforsites@gnlp.org.uk](mailto:callforsites@gnlp.org.uk)

Telephone: 01603 306603

<b>1a. Contact Details</b>	
Title	Mr
First Name	Phillip
Last Name	Green
Job Title (where relevant)	
Organisation (where relevant)	
Address	NULL NULL NULL NULL NULL
Post Code	NULL
Telephone Number	NULL NULL
Email Address	NULL

<b>1b. I am...</b>
Owner of the site

--

**1c. Client/Landowner Details** (if different from question 1a)

Title	
First Name	
Last Name	
Job Title (where relevant)	
Organisation (where relevant)	
Address	
Telephone Number	
Email Address	

**2. Site Details**

Site location / address and post code  (please include as an attachment to this response form a location plan of the site on an scaled OS base with the boundaries of the site clearly shown)	Land at the junction of Frettenham Road and Buxton Road  NULL  Frettenham  Norwich  Norfolk
Grid reference (if known)	6238 3177

Site area (hectares)	0.552
Site parish	Frettenham
Site district	Broadland

<b>Site Ownership</b>	
<b>3a. I (or my client)...</b>	
Is the sole owner of the site	
<b>3b. Please provide the name, address and contact details of the site's landowner(s) and attach copies of all relevant title plans and deeds (if available).</b>	
<b>3c. If the site is in multiple landownerships do all landowners support your proposal for the site?</b>	NULL
<b>3d. If you answered no to the above question please provide details of why not all of the sites owners support your proposals for the site.</b>	

<b>Current and Historic Land Uses</b>
<b>4a. Current Land Use</b> (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

Agriculture	
<b>4b. Has the site been previously developed?</b>	No
<b>4c. Describe any previous uses of the site.</b> (please provide details of any relevant historic planning applications, including application numbers if known)	
n/a	

<b>Proposed Future Uses</b>	
<b>5a. Please provide a short description of the development or land use you proposed</b> (if you are proposing a site to be designated as local green space please go directly to question 6)	
n/a	
<b>5b. Which of the following use or uses are you proposing?</b>	
Market Housing	Yes
Affordable Housing	No
Residential Care Home	No
Gypsy and Traveller Pitches	No
Business and offices	No
General industrial	No
Storage and distribution	No
Tourism	No
Recreation & Leisure	No
Community Use	No
Public Open Space	No
Other (Please Specify)	NULL
<b>5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.</b>	

The proposal is to erect ten to twelve market houses. The density reflects the semi-rural nature and location of the site, the density of surrounding development and the capacity of the local highway network.

**5d. Please describe any benefits to the Local Area that the development of the site could provide.**

Helping to meet the shortage of market housing in the locality and the District generally.

**Local Green Space**

If you are proposing a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

**6a. Are you proposing a site to be designated as a Local Green Space?**

No

**6b. Which community would the site serve and how would the designation of the site benefit that community.**

NULL

**6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.**

NULL

**Site Features and Constraints**

Are there any features of the site or limitations that may constrain development on this site (please give details)?

**7a. Site Access:** Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Two existing points of access on to Frettenham Road are substandard in terms of visibility and discharge on to a relatively narrow road.

An alternative and preferable point of access should be constructed on to the Buxton Road, where adequate visibility can be provided along the road frontage within the owner's control.  
There are no Public Rights of Way crossing the site.

**7b. Topography:** Are there any slopes or significant changes of in levels that could affect the development of the site?

The site slopes generally to the west. This should not present any particular development difficulties.  
The presence of the slope adds interest to the site and should be reflected in the layout and design of the development.

**7c. Ground Conditions:** Are ground conditions on the site stable? Are there potential ground contamination issues?

The site displays stable ground conditions and I am not aware of any contamination issues.

**7d. Flood Risk:** Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

The site is not liable to flooding and is not located within a flood risk area as defined by the Environment Agency. There is no history of flooding of the site.  
The low point of the site is marked by a small wet area / pond, but this does not affect the remainder of the site.

**7e. Legal Issues:** Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

NO

**7f. Environmental Issues:** Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

No

**7g. Heritage Issues:** Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

No

**7h. Neighbouring Uses:** What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Agricultural to the north, commercial to the north east.

Residential to the east and south.  
None of the adjoining uses should have any adverse impact upon the proposed development.

**7i. Existing uses and Buildings:** are there any existing buildings or uses that need to be relocated before the site can be developed.

Existing, dilapidated former agricultural buildings run along the northern boundary of the site. These will be required to be removed, but there is no need for replacement.

**7j. Other:** (please specify):

None

**Utilities**

**8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.**

Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	No
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL

**8b. Please provide any further information on the utilities available on the site:**

Mains sewerage is available in Buxton Road. Because of the topography of the site, a pumping station would be required to raise flows from within the site into Buxton Road.

<b>Availability</b>
<b>9a. Please indicate when the site could be made available for the land use or development proposed.</b>
1 to 5 years (by April 2021)
<b>9b. Please give reasons for the answer given above.</b>
Given the likely timescale of the 'Call for Sites' exercise, it seems unlikely that any development would be authorised until 2017.  The site can in fact be made available at any time.

<b>Market Interest</b>
<b>10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.</b>
None
<b>Comments</b> n/a

<b>Delivery</b>
<b>11a. Please indicate when you anticipate the proposed development could be begun.</b>
1 to 5 years (by April 2021)
<b>11b. Once started, how many years do you think it would take to complete the proposed development (if known)?</b>
One to two years.

<b>Viability</b>	
<b>12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches &amp; Children's Play</b>	Yes

<b>Space and Community Infrastructure Levy</b>	
<b>12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?</b>	No
<b>12c. If there are abnormal costs associated with the site please provide details:</b>	
NULL	
<b>12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?</b>	Yes
<p><b>12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.</b></p> <p>The site lies outside current development limits within the Development Plan. However, given the widespread shortage of land available for housing development, some logical extension of the current limits seems desirable. If the Council accepts such a policy change, this land is very suitable for developemnt.</p> <p>It is surrounded on two sides by residential development and otherwise by commercial development (car sales and a public house) and agricultural land.</p> <p>The development of this site would not constitute a break into open countryside and would not be detrimental to the landscape or the character of the area.</p>
