Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0082
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

The land has an existing access from Pound Lane and Lingwood Road for farm machinery.

Access would need improvement to highway standards but is good from Lingwood Road.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

There are no physical constraints . Land is level and proposals would be appropriate.

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

The land has only been used for agriculture and as far as is known there is no contamination. At present no site condition survey has been undertaken.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

The EA map shows that the site does not lie within an area of risk to flooding.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

There are no third party rights.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

None of the above.

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

None of the above.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Residential Properties

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

None.

7j. Other: (please specify):

No other constraints.

Utilities

8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.

Mains water supply	Unsure
Mains sewerage	Unsure
Electricity supply	Yes
Gas supply	Unsure
Public highway	Yes
Broadband internet	Yes
Other (please specify):	NULL

8b. Please provide any further information on the utilities available on the site:

The site is close to residential development where all services would be available.

Availability

9a. Please indicate when the site could be made available for the land use or development proposed.

Immediately

9b. Please give reasons for the answer given above.

The land owner would consider a planning application with immediate effect and would discuss with the local authority suitable housing need for affordable and work with a suitable housing developer for provision within 2 years.

Market Interest	
10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.	
Enquiries received	
Comments	The owner has been contacted by developer/promotor in late spring 2016.

Delivery	
11a. Please indicate when you anticipate the proposed development could be begun.	
Immediately	
11b. Once started, how many years do you think it would take to complete the proposed development (if known)?	
The site owner is willing developer of the site. A planning application can be made at the earliest possible opportunity and work progressed upon a successful application. It could be made available within 2 years, possibly in phased process.	

Viability	
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	Unsure
12c. If there are abnormal costs associated with the site please provide details:	
This is unknown at present and requires evaluation which is being undertaken as from Mid June 2016.	
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning	Yes

policy and CIL considerations and other abnormal development costs associated with the site?

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

The site is readily available for development with a willing land owner

There are no third party restrictions.

The land has good access

The topography would suit residential development

The land is not within a flood plain

There are no trees to inhibit development

The site abuts existing residential development and is not stand alone.

The site abuts the existing development boundary

The site would provide affordable and market homes to add to the 5YHS requirements.
