

Land South of Cleves Way / East of Longwater Lane, Costessey, Norwich NR8 5EW
(Grid Ref TG172113)

Area : 17.969 ha (44.401 acres)

Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0206
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: www.greaternorwichlocalplan.org.uk

E-mail: callforsites@gnlp.org.uk

Telephone: 01603 306603

Email Address	NULL

1b. I am...
Developer

--

1c. Client/Landowner Details (if different from question 1a)	
Title	
First Name	
Last Name	
Job Title (where relevant)	
Organisation (where relevant)	
Address	
Telephone Number	
Email Address	

2. Site Details	
Site location / address and post code (please include as an attachment to this response form a location plan of the site on an scaled OS base with the boundaries of the site clearly shown)	Land South of Cleves Way / East of Longwater Lane Costessey, NULL Norwich, Norfolk
Grid reference (if known)	TG172113

Site area (hectares)	17.969
Site parish	Costessey
Site district	South Norfolk

Site Ownership	
3a. I (or my client)...	
Is the sole owner of the site	
3b. Please provide the name, address and contact details of the site's landowner(s) and attach copies of all relevant title plans and deeds (if available).	
3c. If the site is in multiple landownerships do all landowners support your proposal for the site?	NULL
3d. If you answered no to the above question please provide details of why not all of the sites owners support your proposals for the site.	

Current and Historic Land Uses
4a. Current Land Use (Please describe the site's current land use e.g. agriculture, employment, unused/vacant etc.)

Partly arable farm land and marsh land.

4b. Has the site been previously developed?

No

4c. Describe any previous uses of the site. (please provide details of any relevant historic planning applications, including application numbers if known)

Not known

Proposed Future Uses

5a. Please provide a short description of the development or land use you proposed (if you are proposing a site to be designated as local green space please go directly to question 6)

This land is available for residential development and associated uses.

5b. Which of the following use or uses are you proposing?

Market Housing	Yes
Affordable Housing	Yes
Residential Care Home	No
Gypsy and Traveller Pitches	No
Business and offices	No
General industrial	No
Storage and distribution	No
Tourism	No
Recreation & Leisure	No
Community Use	Yes
Public Open Space	Yes
Other (Please Specify)	NULL

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

The site falls partly within flood zone 2 & 3. Given this constraint the site will yield a low number of dwellings relative to its scale. The site has the potential to provide approximately 100 dwellings, including affordable housing, with associated open space and community uses.

5d. Please describe any benefits to the Local Area that the development of the site could provide.

This site, if conjoined with the neighbouring land, could provide an enhanced number of much needed homes to the local community together with affordable housing and a comprehensive, landscape sensitive development providing a rounding off to the existing settlement.

Local Green Space

If you are proposing a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Are you proposing a site to be designated as a Local Green Space?

No

6b. Which community would the site serve and how would the designation of the site benefit that community.

NULL

6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

NULL

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

The site can be accessed from the public highway. The suitability of such access points have not been technically assessed at this time.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
The land is mainly flat with a slight incline from south to north.
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
Non Known
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
Part of the site lies within flood zone 2 & 3. This part of the site is considered to be undevelopable and has not been considered in establishing the potential yield for the site. No flood risk work has been undertaken.
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
Existing farm business tenancy.
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
The Catholic Church of Our Lady & Saint Walstan church is to the most northern boundary. The impact of the proposed site on the church has not yet been assessed.
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
The Catholic Church of Our Lady & Saint Walstan church is to the most northern boundary. The impact of the proposed site on the church has not yet been assessed.
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
Paddock land and existing build form.
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
No, not to current knowledge.

7j. Other: (please specify):
No other constraints are known which would impact this site from being developed.

Utilities	
8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.	
Mains water supply	Unsure
Mains sewerage	Unsure
Electricity supply	Unsure
Gas supply	Unsure
Public highway	Unsure
Broadband internet	Unsure
Other (please specify):	NULL
8b. Please provide any further information on the utilities available on the site:	
No investigation have been conducted at present.	

Availability
9a. Please indicate when the site could be made available for the land use or development proposed.
1 to 5 years (by April 2021)
9b. Please give reasons for the answer given above.

There are no known constraints stopping this site from being developed. Taylor Wimpey is working with the landowner to promote this site for residential development. Should an appropriate consent be received, Taylor Wimpey has the ability, being a nation house builder, to deliver this site in the shorter term.

Market Interest

10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.

Site is under option to a
developer/promoter

Comments	N/A
-----------------	-----

Delivery

11a. Please indicate when you anticipate the proposed development could be begun.

1 to 5 years (by April 2021)

11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

Taylor Wimpey would anticipate delivering approximately 50 homes per year on a site in this location.

Viability

12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy

Yes

12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?

Unsure

12c. If there are abnormal costs associated with the site please provide details:

Not known

12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?

Unsure

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

No detailed assessment has been carried out at this stage.
