FOR OFFICIAL USEONLY	
Response Number:	GNLP0217
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm** on **Friday 24 June 2016**.

By email: <a href="mailto:callforsites@gnlp.org.uk">callforsites@gnlp.org.uk</a>

Or, if it is not possible submit the form electronically,

By Post to:

Greater Norwich Local Plan Team PO Box 3466 Norwich NR7 7NX

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

The site would be capable of receiving up to 200 dwellings based upon the parameters set out in the HELAA (25 dwellings per Hectare).

The intention for the site would not be to achieve such densities and look to mirror the spacing associated with this end

## 5d. Please describe any benefits to the Local Area that the development of the site could provide.

The site is strategically located adjoining the current village boundary and well position with regards the access to the North of the village. The site will be prevented form further rural slippage due to the position adjacent to the Dickleburgh by-pass and the utilities are readily available and well as the core services being with the 800m/10 minute walk. Dickleburgh provides and excellent opportunity to assist in achieving the targted development numbers within the Long Stratton, Diss and Harleston excellent commuter/satellite village for both Norwich and Diss as well as those travelling on on the London to Norwich train line.

#### **Local Green Space**

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Are you proposing a site to be designated as a Local No Green Space?

6b. Which community would the site serve and how would the designation of the site benefit that community.

**NULL** 

6c. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

Enquiries received		
Comments	Approaches have been made with regards developers/promoters looking to take the site forward for potential development. Date unknown	

#### Delivery

# 11a. Please indicate when you anticipate the proposed development could be begun.

1 to 5 years (by April 2021)

# 11b. Once started, how many years do you think it would take to complete the proposed development (if known)?

The site has not had detailed master planning undertaken and therefore it is envisaged this would take in the region of 6-9 months, subject to planning, before breaking ground on the site. The set up and abnormal works would not be overly time consuming and therefore the units could be turned relatively quickly within the 1-5 year window.

Viability		
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes	
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	Yes	
12c. If there are abnormal costs associated with the site please provide details:		
An element of access works and road ways in order to unlock the whole site.		
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal development costs associated with the site?	Yes
