Greater Norwich Call for Sites Submission Form

FOR OFFICIAL USE ONLY	
Response Number:	GNLP0277
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team no later than **5pm on Friday 24 June 2016**.

By email: callforsites@gnlp.org.uk

Or, if it is not possible submit the form electronically,

By Post to:

*Greater Norwich Local Plan Team
PO Box 3466
Norwich
NR7 7NX*

The responses received as part of the Greater Norwich Local Plan Call for Sites will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

Existing access into site from Norwich Road, with good visibility in both directions.
No public rights of way cross the site.

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?
The entrance to the site is level, then there are 2 steps up to the north. These can be accommodated by a graded access road.
7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?
No known issues
7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?
The site lies outside any flood risk area
7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?
No legal issues
7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?
None
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
None
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
Open countryside to the east and north. Vacant land to the west
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
The existing pub will be retained with a reduced external area. Alternatively this could be converted and made available for community use

7j. Other: (please specify):

No other known site constraints.

Utilities

8a. Which of the following are likely to be readily available to service the site and enable its development? Please provide details where possible.

Mains water supply	Yes
Mains sewerage	Yes
Electricity supply	Yes
Gas supply	Unsure
Public highway	Yes
Broadband internet	Unsure
Other (please specify):	NULL

8b. Please provide any further information on the utilities available on the site:

All utilities are available for the site.

Availability

9a. Please indicate when the site could be made available for the land use or development proposed.

Immediately

9b. Please give reasons for the answer given above.

The owner lives on site.

Market Interest	
10. Please indicate what level of market interest there is/has been in the site. Please include relevant dates in the comments section.	
None	
Comments	None

Delivery	
11a. Please indicate when you anticipate the proposed development could be begun.	
1 to 5 years (by April 2021)	
11b. Once started, how many years do you think it would take to complete the proposed development (if known)?	
2 years	

Viability	
12a. You acknowledge that there are likely to be policy requirements and Community Infrastructure Levy (CIL) costs to be met which will be in addition to the other development costs of the site (depending on the type and scale of land use proposed). These requirements are likely to include but are not limited to: Affordable Housing; Sports Pitches & Children's Play Space and Community Infrastructure Levy	Yes
12b. Do you know if there are there any abnormal costs that could affect the viability of the site e.g. infrastructure, demolition or ground conditions?	No
12c. If there are abnormal costs associated with the site please provide details: NULL	
12d. Do you consider that the site is currently viable for its proposed use taking into account any and all current planning policy and CIL considerations and other abnormal	Yes

development costs associated with the site?	
---	--

12e. Please attach any viability assessment or development appraisal you have undertaken for the site, or any other evidence you consider helps demonstrate the viability of the site.

The village development boundary cuts behind the pub and to the west. In our view, the site would form a natural east boundary to the village, bordered by the northern continuation of Goat Lane. It will also provide access to a disused land-locked piece of land
