Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Which community would the site serve and how would the designation of the site benefit that community.

6b. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

ENISTING ACCESS FROM PUBLIC BOAD

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

HO

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

HOLLE KHOWAL.

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

No.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

~6.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or here.
woodland, are there any significant trees or hedgerows crossing or bordering the are there any known features of ecological or geological importance on or adjacent to the site?
40
7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?
site's development affect them?
HOHE
7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?
HOHE KLOWL
7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.
40

Data Protection and Freedom of Information

The Data Controller of this information under the Data Protection Act 1998 will be Norfolk County Council, which will hold the data on behalf of Broadland District Council, Norwich City Council and South Norfolk District Council. The purposes of collecting this data are:

- To assist in the preparation of the Greater Norwich Local Plan
- To contact you, if necessary, regarding the answers given in your form.
- To evaluate the development potential of the submitted site for the uses proposed within the form.

Disclaimer

The responses received as part of the Greater Norwich Local Plan "Call for Sites" will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual sites being stored by Norfolk County Council, and the details being published for consultation purposes. Any information you consider to be confidential is clearly marked in the submitted response form and you have confirmed with the Council(s) in advance that such information can be kept confidential as instructed in the Greater Norwich Local Plan Call for Sites Response Form Guidance Notes.

I agree that the details within this form can be held by Norfolk County Council and that those details can be shared with Broadland District Council, Norwich City Council and South Norfolk District Council for the purposes specified in this
