Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Which community would the site serve and how would the designation of the site benefit that community.

4/4

6b. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

4/4

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)?

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

CURRENT ACCES IS AVAILABLE BUTWOULD HEED UPGRADING TO ROAD STANDARDS

HO RIBLIC REGINTS OF WAY EXIST.

7b. Topography: Are there any slopes or significant changes of In levels that could affect the development of the site?

SLIGHT GRADIENT FROM HIGHWAY TO THE PROPOSED SITE

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

NO

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and If so what Is the nature, source and frequency of the flooding?

NO

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

NO.
