Proposed Future Uses

5a. Please provide a short description of the development or land use you proposed (if you are proposing a site to be designated as local green space please go directly to question 6)

Housing, part affordable

5b. Which of the following use or uses are you proposing?

Market Housing	<input checked="" type="checkbox"/>	Business & offices	<input type="checkbox"/>	Recreation & Leisure	<input type="checkbox"/>
Affordable Housing	<input checked="" type="checkbox"/>	General industrial	<input type="checkbox"/>	Community Use	<input type="checkbox"/>
Residential Care Home	<input type="checkbox"/>	Storage & distribution	<input type="checkbox"/>	Public Open Space	<input type="checkbox"/>
Gypsy & Traveller Pitches	<input type="checkbox"/>	Tourism	<input type="checkbox"/>	Other (Please Specify)	

5c. Please provide further details of your proposal, including details on number of houses and proposed floorspace of commercial buildings etc.

The number of dwellings has not been assessed to date.
Given safe and easy access from existing highway the ideal number of properties are thought to be most appropriate

5d. Please describe any benefits to the Local Area that the development of the site could provide.

Additional housing to complement the housing on the opposite side of the road, which will not require substantial involvement / contribution by highways given quality of existing road. Additional housing stock would be provided with minimal affect to local village community infrastructure,

Local Green Space

If you are proposed a site to be designated as Local Green Space please complete the following questions. These questions do not need to be completed if you are not proposing a site as Local Green Space. Please consult the guidance notes for an explanation of Local Green Space Designations.

6a. Which community would the site serve and how would the designation of the site benefit that community.

6b. Please describe why you consider the site to be of particular local significance e.g. recreational value, tranquillity or richness in wildlife.

Site Features and Constraints

Are there any features of the site or limitations that may constrain development on this site (please give details)? **NO.**

7a. Site Access: Is there a current means of access to the site from the public highway, does this access need to be improved before development can take place and are there any public rights of way that cross or adjoin the site?

**Access available from two roads with ^{no} improvements to the highway needed.
No public rights of way that cross or adjoin site.**

7b. Topography: Are there any slopes or significant changes of in levels that could affect the development of the site?

NO

7c. Ground Conditions: Are ground conditions on the site stable? Are there potential ground contamination issues?

Land is stable with no contamination although comment cannot be provided for the period prior to 1961

7d. Flood Risk: Is the site liable to river, ground water or surface water flooding and if so what is the nature, source and frequency of the flooding?

NO flooding experienced since 1961. NO rivers or water courses nearby.

7e. Legal Issues: Is there land in third party ownership, or access rights, which must be acquired to develop the site, do any restrictive covenants exist, are there any existing tenancies?

NO to all points.

7f. Environmental Issues: Is the site located next to a watercourse or mature woodland, are there any significant trees or hedgerows crossing or bordering the site are there any known features of ecological or geological importance on or adjacent to the site?

No nearby woodland or watercourses.
Some attractive trees on boundary and native mixed hedging that would provide some ecological and landscape benefit.

7g. Heritage Issues: Are there any listed buildings, Conservation Areas, Historic Parklands or Schedules Monuments on the site or nearby? If so, how might the site's development affect them?

No and not affected.

7h. Neighbouring Uses: What are the neighbouring uses and will either the proposed use or neighbouring uses have any implications?

Residential properties, pub and small market garden. None would be adversely affected by development.

7i. Existing uses and Buildings: are there any existing buildings or uses that need to be relocated before the site can be developed.

No

7j. Other: (please specify):
