13. Other Relevant Information

13. Please use the space below to for additional information or further explanations on any of the topics covered in this form

The site is located between two existing developments on the road between Rockland St. Mary and Bramerton. It is a natural infill with good visibility on to the highway that would have limited, minimal impact on the countryside.

It offers easy access to both villages and their amenities, including a pre-school, primary schools, churches, village halls and a public house.

The site sits less than 100M from the bus stop outside The Oaks which is on a direct route in to Norwich.
