Hi Stephen,

Many thanks, here is the school information:

Our current number on roll is 60 and we hope to have two new children starting after half-term. This is up from 41 last year. Officially our maximum capacity is 77 but with a big Year 6 of 12 leaving and 6 predicated to come in we anticipate we will have 56 children on roll next year. The following year numbers are not anticipated to change much as a small Year 5 class will be leaving the school.

The Neighbourhood Plan meetings will be in the evening but I will bear in mind your work days if I there is anything else of interest to go to.

Kind regards,

Claudia

Hello Claudia

Wendy has just told me I need to send this to you again! Sorry to pester.

Regarding meetings I can do pretty much any evening but I work Monday, Tuesday and alternate Wednesday's during the day. I can do any Thursday or Friday daytime.

Thanks
Stephen

Hello Claudia

Thank you for the meeting last night. Well attended!!

Could you send me a copy of the school role information please. It was good that the Head took the time to attend I thought.

Also I was asked if I was attending the next Neighbourhood Plan meeting could you let me know the date for this.

Thanks very much
Stephen Coleman
