## **Greater Norwich Site Submission Form**

FOR OFFICIAL USEONLY	
Response Number:	
Date Received:	

This form is to be filled out by any interested parties who want to promote a site for a specific use or development to be allocated in the Greater Norwich Local Plan.

Only one form should be submitted for each individual site i.e. it is not necessary for a separate form to be completed for each landowner on a single site in multiple ownerships. However, a separate form must be completed for each individual site submitted.

Your completed form should be returned to the Greater Norwich Local Plan team:

By email: <a href="mailto:gnlp@norfolk.gov.uk">gnlp@norfolk.gov.uk</a>

Or, if it is not possible submit the form electronically,

By Post to:

Greater Norwich Local Plan Team PO Box 3466 Norwich NR7 7NX

The site submissions received as part of the Greater Norwich Local Plan Regulation 18 Consultation will be published and made available for public viewing. By submitting this form you are consenting to the details about you and your individual site(s) being stored by Norfolk County Council and shared with Broadland District Council, Norwich City Council and South Norfolk District Council, and that the details of the site will be published for consultation purposes. Under the (GDPR) General Data Protection Regulation Norfolk County Council will be the data controller.

Further advice and guidance can be obtained by visiting the Greater Norwich Local Plan website or by contacting the Greater Norwich Local Plan team directly:

Website: <a href="www.gnlp.org.uk">www.gnlp.org.uk</a> E-mail: <a href="mailto:gnlp@norfolk.gov.uk">gnlp@norfolk.gov.uk</a> Telephone: 01603 306603

### Other Relevant Information

13. Please use the space below to for additional information or further explanations on any of the topics covered in this form

The site has previously received planning approval for development so this is not in question. There is also not a question on hombers as this was stated as 75 and only 163 home been constructed, leaving 12 undeveloped. The only question temaining is whether this could be expanded within the areas approved for non viable uses
